dedication

Architects Bartlett Cocke, O'Neil Ford, Consulting Architect William W. Wurster, and Landscape Architects Arthur and Marie Berger took a rocky rise of ground now known as Trinity Hill and turned it into America's most modern university campus.

Having a small budget to work with, the building committee seized upon the idea of using the Youtz-Slick lift-slab method of construction which was then in its pioneering stages.

At the present time the "skyline campus" consists of eighteen buildings, fourteen of which were the first major structures in the world built by this revolutionary method.

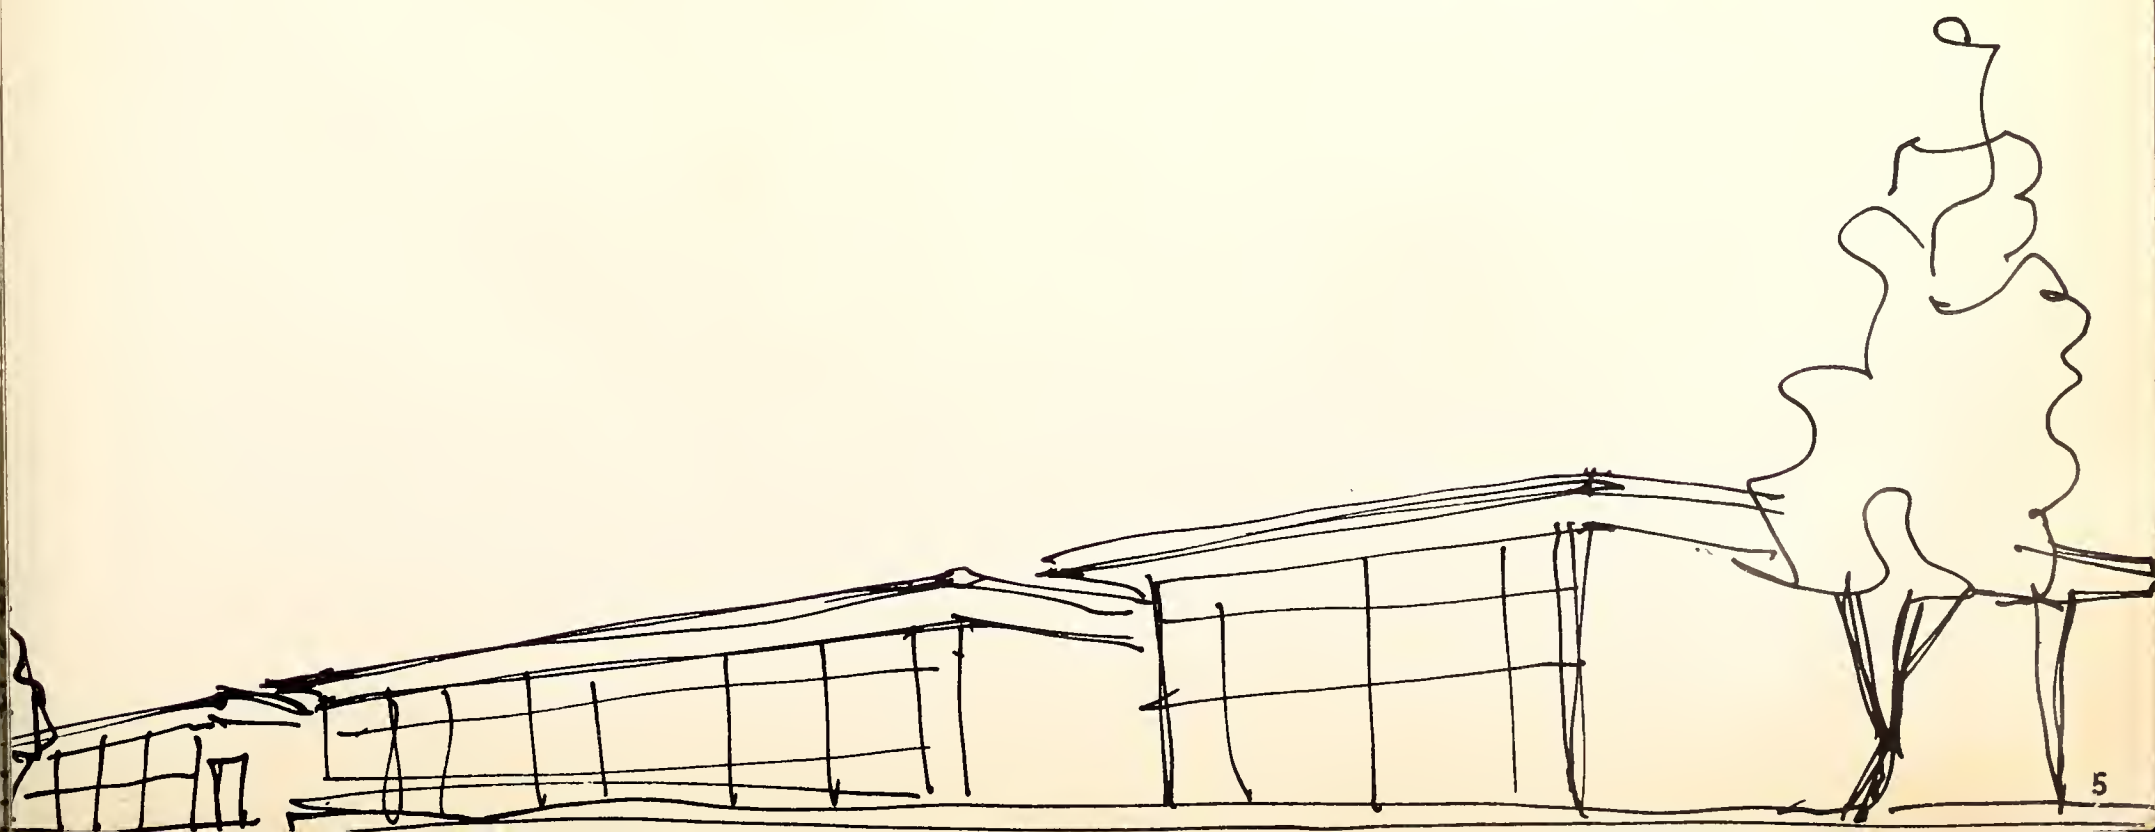

To these five people who brought national recognition to Trinity University, we dedicate the 1957 MIRAGE.

foreword

Within the covers of this book are pictures of the events of the past year. May these pictures help you, in the future, to relive the joys and pleasures you have shared with others, and as the years pass bring to mind the many friends you have made while at Trinity University.

We, the staff, have worked hard to make this a book you will long remember, and we are now proud to present to you, the students, the 1957 MIRAGE.

We hope you like it.

president of the university

DR. JAMES WOODIN LAURIE

We salute the Class of 57 for its honors and accomplishments. You have been part of Trinity's era of greatest expansion and your patience, cooperation and leadership have played an important part in our growth and progress. Worthy traditions and valuable patterns for future achievement have been fashioned during your stay on Trinity Hill.

The ultimate worth of any institution of learning rests in the qualities of mind and spirit developed in its graduates, and the resultant benefits they bring to the social order. Beyond what you have learned in lecture and library, we hope something of the Christian idealism and purpose of Trinity has become part of your life. Trinity graduates take to their tasks a quiet devotion and a confident courage that helps make every undertaking meaningful and worthwhile.

We welcome you to our growing body of alumni. Even as during these years at Trinity you have laid foundations for your future and that of the university, so as the years go on your interest and help will assist us to continue an ever enlarging service to youth.

In a day when leadership with discernment is most in demand, we commit you to the beckoning tasks beyond your graduation and commend your good example to all who follow you into the halls of Trinity.

MARION BRUCE THOMAS

Here, on the pages of THE MIRAGE, another year in the life of the university is captured in pictures and words. It has been a good year, and, in the years to come, we will treasure this record and come back to it with pleasure and excitement.

To those of us on the faculty, the most significant pictures are those of the students as they are spread across these pages class by class. These pictures bring back memories of studying and learning and playing together. We hope that this year has been marked by an intellectual and spiritual growth for every student. For those who are graduating, we wish success and happiness in the careers ahead, and with those who are returning, we look forward to even richer years in the future.

deans of student life

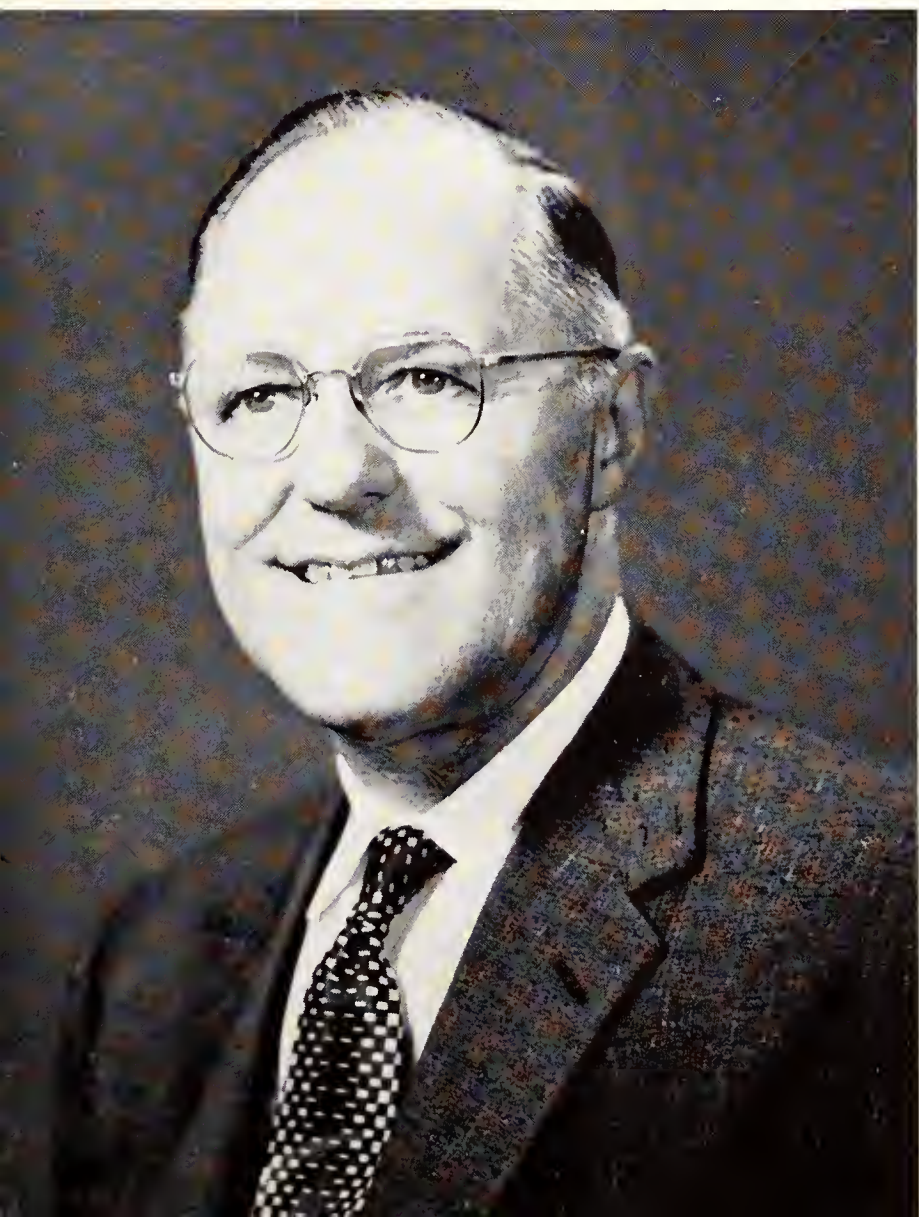

Dr. Mary I. Champion, Trinity's new Associate Dean of Student Life, is from Grand Rapids, Michigan. Dean Champion attended Columbia University and Oregon State College and has received her bachelor's, master's and doctorate degrees. Among the honorary organizations of which she is a member are Phi Kappa Phi, Pi Lambda Theta, Kappa Delta Pi and the American Association of University Women.

Dean Champion, while Dean of Women at New Mexico State College, was also president of the State Dean's Association of New Mexico. Besides the job of Associate Dean here at Trinity, she is also a writer. Last year, along with a professor from Indiana, she had an article published in *Educational Screen* on the Indexing of Audio-Visual Materials Using the Punch Card System.

With "enthusiasm" as their by-word, the seniors neared the culmination of their formal education. Notably outstanding for their leadership and class spirit, this was the last class to go through the inter-class initiation activities. This year's seniors have witnessed Trinity's development from a few scattered buildings to a nationally known, award winning campus. The most recent additions have been the Ruth Taylor Music Building, the home economics cottage and the waterfall. With the completion of the New Men's Dormitory by their second year, the men abandoned Mulberry House while the women hailed the addition of the south wing of McFarlin. They have seen the arrival of Deans Bostwick and Champion. This year the seniors traditionally opened the social season with their All-School dance. All Trinity joins in wishing the Tigers of '57 all success and good fortune as they leave the skyline campus.

With graduation now in sight, the class of 1958 took an active part in campus activities. The social calendar was highlighted this year by the junior-sponsored "Autumn Antics" dance and the Junior-Senior Prom. So that the faculty might also attend these and other functions, baby-sitters were provided by the class. Important, of course, was the money which financed these events. The problem was solved by the sale of Homecoming buttons and the staging of a paper drive.

The sophomores found that included in their new role as upperclassmen came the duty of guiding the freshmen toward their designated places in the University society. Through participation in campus activities, this class won the admiration of the entire student body. By repeating the unique but successful "Hobo Day" of last year, enough money was earned to treat the students to a Christmas dance which proved to be a noteworthy addition to the University social life. A second "Hobo Day" in the spring supported a freshman-sophomore picnic. The sophomore's "Marrying Booth" at the Spur Carnival seemed to be as popular as mistletoe and the coeds saw to its success.

The school year was properly opened with the initiation of the young Tigers to the Trinity family. As the new class learned, college life is orderly and exacting despite the confusion of registration. The traditional freshman spirit was quickly displayed with enthusiastic campaigning for class officers and the staging of an excellent talent show emceed by Skippy Hopkins. Outstanding among the freshman contributions during the year were their Homecoming float and their All-School Dance. With a burst of energy that was to last the year long, the class of 1960 became permanent members of the University.

Trinity University's R.O.T.C. unit was activated on June 2, 1952 and was one of 19 colleges from among 700 applicants to receive a new type "Branch General Course" designation. The corps' first professor of military science and tactics, or PMS&T, was Lt. Col. James D. Williams, Artillery, who headed the Trinity unit until August, 1956, when he was succeeded by Col. Roy E. Hattan, also of the Artillery.

The Branch General Course designation enables Trinity's R.O.T.C. to offer cadets commissions in any branch of the Army. In the past, most colleges and universities in the United States have offered specialized training, whereby graduating cadets had less choice as to which branch they would enter. However, today the trend is toward the Branch General type training, and 80 per cent of all the nation's colleges are now offering it.

In its first year, the Trinity Department of Military Science and Tactics enrolled 157 students into the cadet corps. This year 223 signed up. Since 1952, R.O.T.C. has been compulsory for all freshman and sophomore male citizens of the United States enrolled at Trinity who have not served at least one year's active duty in one of the armed forces.

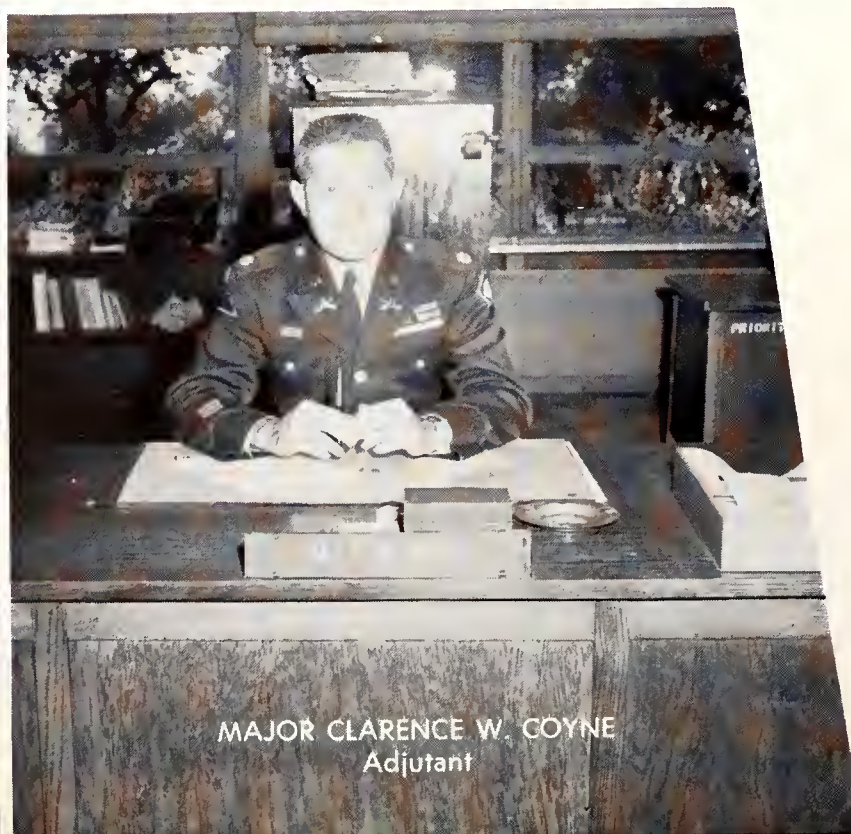

After completing the two-year basic course, cadets are given a chance to enroll in the advanced course. There they receive pay and upon graduation are offer-

ed commissions in either the Army Reserve or the Regular Army, depending on their record and ability.

During the four years of R.O.T.C. training, cadets are instructed on American military history, organization of the Army, individual weapons and marksmanship and drill. Crew served weapons and gunnery, map reading, small unit tactics, leadership and military teaching methods are also taught. Before graduation, cadets receive instruction in operations, military administration and personnel management—which includes military law—service orientation and logistics.

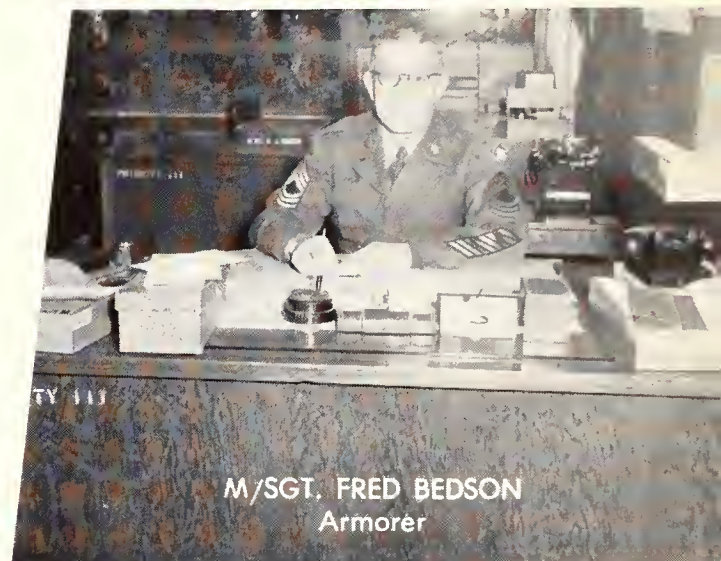

Between the junior and senior years, cadets attend a six-week summer camp where they put into practical application what they have learned in the classroom. At camp the men operate the Army's principal weapons and equipment and participate in field exercises such as map problems, marches and bivouacs.

In R.O.T.C. a student learns to talk, act and work like a soldier. He at first learns to follow orders then later learns to give them. Those men with good records in the corps are advanced in rank and given jobs and responsibilities just as in the Army.

The R.O.T.C. is the nation's chief source of procuring Army officers. During the past four years, Trinity University has contributed 34 officers to the U. S. Army. In 1957, 25 more Trinity men are expected to receive gold bars.

The Trinity Honor Guard, over 40 members strong and under the command of Cadet SFC. William Whitfield, is the pride of the R.O.T.C. Thirty cadets form the guard, while the remaining members make up a reserve force. The guard, or drill team, meets twice a week to practice drills, during which time they perfect both regulation drill and a few fancy movements of their own. During the past year, the Trinity Honor Guard has marched in parades, welcomed visiting dignitaries, presented the R.O.T.C. sweethearts, performed at the Military Ball and provided guards for Lee Roy.

lee roy, trinity's mascot . . .

With the conclusion of the 1956-57 academic year, Lee Roy, Trinity's mascot, faces the prospect of graduation but only figuratively speaking since he is a permanent fixture around the skyline campus.

The 600-pound Bengal tiger was a gift to Trinity in 1953 from Lee Roy Pletz, a San Antonio developer. Since his arrival, the No. 1 Trinitonian has won a place in the hearts of all Trinity students.

Lee Roy makes his home at the San Antonio Zoo during the off-season where he spends his time with his family. His three cubs will soon be two years old.

Trinity's tiger, the largest Bengal in captivity, has played a large part in the surge of spirit found around campus during football season. He will always be remembered, especially by the football team, for his trips around the track when the Trinity eleven scored.

... cheerleaders

Cheering the Tigers on to victory this year were Mikey Stoner, head cheerleader, Freddie Brockwell, Darillyn Posey, Gerald Wolf, Carol Jean Purdy and Jon Paul Arledge. Besides attending all the home games, the cheerleaders also went to three out of the five out of town games.

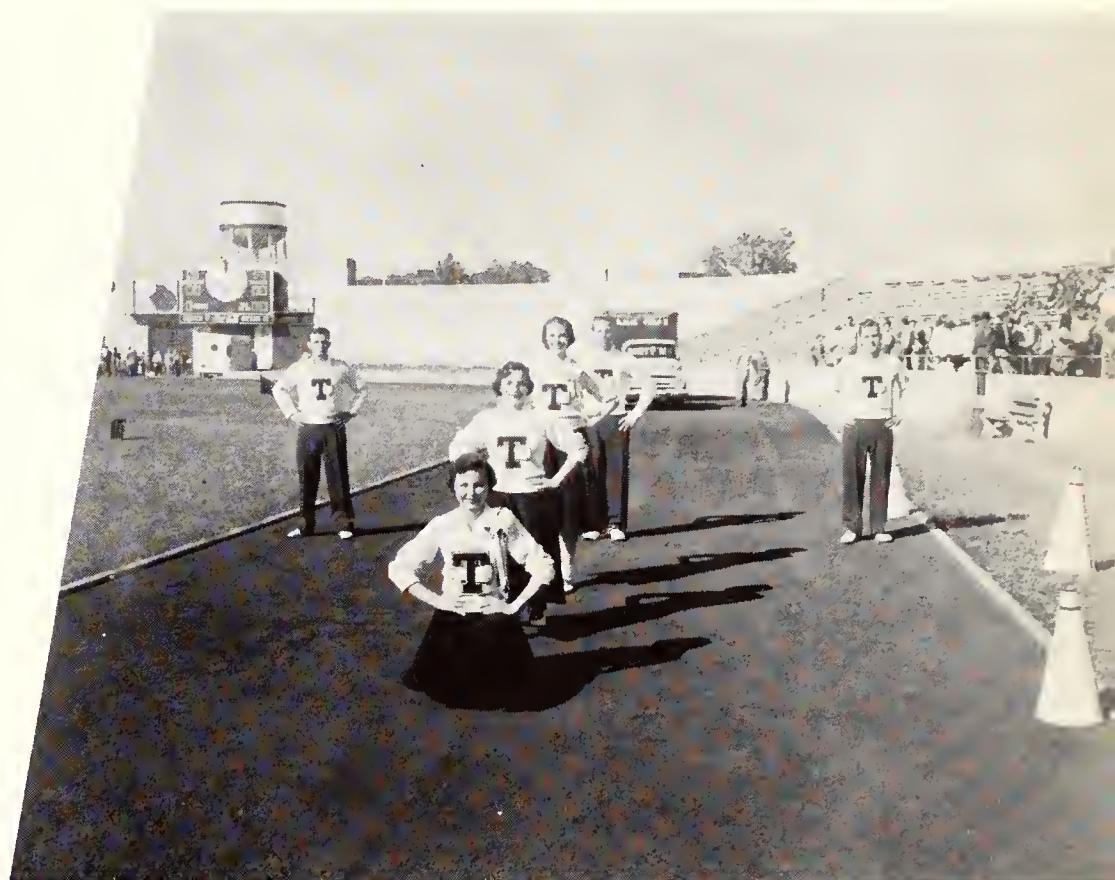

Along with the jobs of cheerleader, the six sponsored the first informal dance held at the beginning of school, typed registration name tags, put up booster banners in the Student Union and decorated the goal posts before each game. They also led the downtown pep parades before each of the home games.

During Homecoming week, their duties increased as they were in charge of the snake dance through town and the pep rally in front of the Post Office and they led the cheers at the midnight bonfire and coffee rally. When the football season ended, they didn't quit, but went right on cheering the Tiger basketball team.

The names Mikey, Freddie, Darillyn, Gerald, Carol and Jon Paul will long be remembered because of their pep and drive during the sports season and the work they did in fostering the school spirit of Trinity this year. Trinity thanks you, cheerleaders.

W. A. McELREATH

Trinity's quest for a national football power was given a sound foundation when W. A. "Mac" McElreath was lured from Tulane University in 1952. Coach "Mac" is launching his sixth season at Trinity as head coach and athletic director.

During his stay at Tigerland, McElreath's teams have compiled a record of 31 wins, 14 losses and one tie. In 1954, "Mac" was voted Texas Coach of the Year by the Texas Sportswriters Association. He guided the Tigers to an undefeated season that year.

McElreath was born in Sulphur Springs, Texas and played his football at Vanderbilt University where he was graduated in 1939.

Coach "Mac" strives for a sound and well rounded athletic program that will benefit as many students as possible.

A big reason for the Tiger's gridiron success is the potent forward walls, line coach Hillery Horne perfects. Solid lines on offense and defense were instrumental in the Bengals tying for the Gulf Coast Conference in 1956.

End coach Kelly Horn, a transplanted Oklahoman, has the task of developing the Tiger wingmen. During his stay at Trinity he has caused opposing teams to think twice about plays to the outside. Horn, who starred in track and football in college, also coached the Tiger trackmen.

Backfield coach Raymond "Babe" Curfman is the newest addition to the coaching staff. He was born in Electra, Texas and played football at Texas Tech. "Babe" previously coached at New Mexico A&M, Idaho and Stephen F. Austin.

bengals shine on defense in shading texas a&i, 12-7

Trinity hit pay dirt on their first two offensive thrusts and then coasted to a 12-7 victory over Texas A&I at McAllen Stadium before a crowd of 6200 fans.

It looked like a runaway in the opening quarter as the Tigers covered 65 yards for the first score with quarterback Roy Sawyer hitting end Johnny Campbell with a pass for the final 29 yards. Tony Valek set up the second Bengal score with a 26 yard pass to Felix Kneuper on the nine. Howard Meissner scooted for five and Valek slipped over on a keeper to make it 12-0, Tigers at halftime.

A&I capitalized on a Tiger fumble in the third quarter and started a drive on the Trinity 48. Two plays carried to the 39. Quarterback Freeman DeLane dropped back and heaved a long desperation pass that was snared by end John Campbell, good for 40 yards and a touchdown. The extra point was good and the Tigers' lead was cut to 12-7.

The Javelinas dominated the fourth quarter but could not crack the Tiger defense. A&I threatened constantly and advanced as far as the nine with less than two minutes left to play. Roy Sawyer intercepted a desperation pass to end the game.

memphis state shut out in second skyline win

With powerful fullback John Dubose adding the line-smashing power to a sparkling aerial game displayed by a trio of Tiger quarterbacks, Trinity upset highly-rated Memphis State in Alamo Stadium 19-0 for their second straight win of the season.

Despite a fumble deep in Memphis territory, the Tigers took over on downs at mid-field and started a sustained drive. Quarterback Tony Valek rolled out around end for the final three yards to put the Tigers in front 6-0.

A quick exchange of punts put State in field goal territory but the Tigers pushed State back to the 42 and took over on downs as the half ended.

Quarterback Roy Sawyer combined with Dubose to drive 65 yards for the second Trinity score, with Dubose adding the final four yards for the third quarter score.

Midway in the final quarter Dubose again found a hole in the Memphis State line and punched for one yard and six points. Sawyer added the point and Lee Roy rolled around the cinder oval for the final time as the Cats walked off with their second straight win over Memphis State in as many years.

vengeful tigers smash

to 40-0 win over a. c. c.

Still smarting from a 14-13 defeat at the hands of the Abilene Christian College Wildcats in 1955 which ended a 16-game Trinity win streak, the Tigers took the field with nothing but revenge on their minds. Two hours later the same Tigers left the field on the fat end of a 40-0 score, satisfied that the previous loss had been avenged.

Wasting no time in getting the track meet started, Skyline quarterback Roy Sawyer hit end Milton Robichaux with a 24-yard aerial for the first tally early in the first quarter.

Completely bottling up the Wildcat attack, the Trinity crew roared back in the second quarter for three markers and two conversions and a 27-0 halftime lead. Halfback Felix Kneuper shot through right tackle and threaded his way 65 yards for the TD. George Jageman aided the cause, skirting right end from 15 yards out and went over untouched. Less than two minutes later, an errant ACC aerial wound up in the arms of a Trinity defender on the ACC 30-yard line. Fullback John Dubose took advantage of the offer and shot through center for the remaining 30 yards.

With Abilene Christian still stopped cold in the second half, Tony Valek engineered another scoring drive for Trinity which was capped by a 28-yard pass play with Robichaux crossing the double stripe.

Late in the game, with time running out, Wesley Gideon, not to be outdone by the two previous Tiger quarterbacks, ramrodded the Tigers 79 yards in two pass plays to the ACC 1-yard line. Freshman Ronnie Manchester covered the remaining yard and Gideon converted to add the finishing touch to a wild 40-0 victory for Trinity.

Ronnie Manchester cracks over for the final touchdown.

smothering ground attack

powers maroons past cats, 18-6

The Mississippi State Maroons unleashed a crushing ground attack to overpower the Trinity Tigers 18-6, before a Homecoming crowd of 9000 fans at Starkville, Mississippi.

After an evenly played first quarter, the Bengals made their first break when Eugene Hall blocked a Maroon quick kick. The Tigers rolled to the one, where John Dubose smashed over right guard for the tally. The point-after attempt was wide. Taking the kickoff deep in their own territory, the Maroons marched to the Tiger five in 11 plays. An exchange of fumbles gave State the ball on the four where two plays later Jim Tait went off tackle to score.

Trinity fumbled on their own 36 to set up State's second score. Two cracks at the line netted only two yards for the Maroons and then a pitch-out to Bubba Trammell went all the way to give State a 12-6 half-time lead.

State hit fast and hard to start the second half. Tait took the kickoff to the 44 and seven plays later the Maroons made their third TD, winning by an 18-6 score as the game ended.

bengals weather fumble storm to stop southeastern la., 14-7

Fumbles and frustrations paced Trinity's Tigers throughout the Southeastern Louisiana game, but the Bengals weathered the storm to wedge out a close 14-7 triumph over the Bayou squad before 5180 fans in Alamo Stadium.

The statistics tell the story of the Cat win despite a pair of costly bobbles and a stone-wall goal line defense by the Louisianans in the closing seconds of the game. Utilizing a terrific ground game paced by halfback George Jageman and Howard Meissner, the Bengals raced to a 14-0 halftime lead, then held on as fumbles plagued the Cat backs throughout the final half.

Tiger scatbacks covered 59 yards in 11 plays early in the second quarter, capping the drive with Meissner carrying the ball over guard for the game's initial tally. Wesley Gideon added his first of two extra points to throw the Cats out front.

Forced to punt, the Louisianans booted the ball to the Tiger 19 yard line, and just 15 plays later the Bengals were knocking on the door for a score. Jageman skirted the left side of the line on a pitchout for the final three yards and the second score for the Tigers. Gideon added his second point after, and Trinity left the field at halftime with a 14-0 lead.

A Tiger bobble early in the third quarter opened the door for SLC's tally, with quarterback Cliff Stringfield pitching to wingman Huey Husser for the last 17 yards and a score. The Tigers were on the march as the gun ended the game.

tigers and eagles battle to 7-7 tie in the mud

In a game which eventually decided the Gulf Coast Conference championship, Coach W. A. McElreath and his charges tackled the pre-season conference favorite, North Texas State College, at Denton. Playing in a cold, driving rainstorm, the Tigers stopped the Eagles for three quarters before NTSC finally pushed across the tally that tied the game 7-7.

Trinity scored early after the Eagles lost the slippery pigskin on a fumble. Time after time the Tigers rammed over the line moving steadily closer to the goal. George Jageman finished the drive by winning a slipping, sliding footrace to the goal from eight yards out. Jageman added the point after.

Scoring ceased until late in the game. The 'Cliffsiders penetrated Eagle territory twice but the drives fizzled out short of the end zone. An attempted field goal by Wesley Gideon from the NTSC 7 was blocked.

With two minutes and 43 seconds gone in the final period, the Eagles gained possession on their own 43 yard line and 11 plays later knotted the score. Eagle back Ray Toole crossed into scoring territory from one yard out. Faking a place-kick conversion, Ben Boehnke took a direct snap from center and skirted left end for the tying point.

Tiger line piles up Ray Toole of North Texas State College.

trinity drops close tilt to high-flying southerners

Boasting one of the top small colleges in the nation and a 14 game winning skein, the Mississippi Southern footballers roared out of Dixieland and into Alamo Stadium for the annual Trinity Homecoming and then quietly slipped out again, grateful for lucking out a 20-13 victory over the Tigers.

Decided underdogs before the game, Trinity held the Southerners scoreless in the first period, but watched them score twice in the second quarter to grab a 13-0 lead. Early in the first quarter, Southern marched 45 yards in eight plays with fullback R. L. Dickinson going over from the one yard line. The extra point attempt was wide. After a Tiger drive bogged down the Rebels rolled 46 yards in eight plays with Doug Barfield carrying over from the five yard line and Dallas Whitfield added the point after.

The Tiger fans had something to cheer about two plays later when George Jageman took a pitchout and passed to end Sammy Knox in a play good for 60 yards. Odis Michalk took a pitchout and tossed the remaining 25 yards to Jageman for the score and Wesley Gideon added the extra point. The Tigers left the field at halftime trailing 13-7.

With six minutes gone in the second half, Billy Wayne Andrews intercepted a Southern aerial on the Tiger 30. Seven plays and 70 yards later, Roy Sawyer hit fullback John Dubose on a 31-yard-pass-play to knot the score.

Trinity had the ball inside their own 30 yard line with less than two minutes left to play in the game. However, MSC tackle Don Owens grabbed a Tiger fumble and on the first play Bob Hughes passed 17 yards to Jerry Taylor for a 20-13 win.

lee roy trounces midwestern 34-6; gains first place tie in g. c. c.

The Cliffsiders trounced Midwestern 34-6 in the Indians' Homecoming game and grabbed a first place tie with North Texas State for the Gulf Coast Conference crown.

Trinity's first drive stalled on the Indians' 31 and George Jageman punted to the seven yard line. Odis Michalk recovered a fumble on Midwestern's first play and the Tigers were in business on the four. Jageman skirted left end for the score and added the extra point, for a 7-0 lead.

Midwestern struck back by driving 64 yards in 15 plays with Weldon McCord driving the final 11 yards for the TD, making the score 7-6, Trinity at the half.

Milton Robichaux started the second half massacre by loping 35 yards with an intercepted pass to ring up six points. Herb Sigle blocked an Indian punt on the 16 and the Tigers hit pay dirt with John Dubose going the final nine yards for the score.

Fullback Fred Duecker started a one-man wrecking crew in the fourth quarter and scored two touchdowns in three minutes on runs of 18 and 25 yards, giving the Tigers a 34-6 lead that was never threatened.

Robichaux was all over the field on defense. Playing with a broken rib, he sparked the Tiger defense and stopped many Indian plays before they were able to get started.

trinity handed cold welcome in clash with texas western

The Trinity Tigers ended their 1956 season with a 54-0 loss to Texas Western at El Paso. This was the worst defeat since 1932 and the first time the Tigers had been held scoreless since 1952.

After jumping off to a second quarter lead of 13-0, the Miners could do no wrong and injuries to Milton Robichaux and Johnny Campbell left the Bengals weak at ends. The speedy Miners were especially hard to bring down once past the line of scrimmage.

Bob Forrest tallied three touchdowns for the Miners and Bob Coleman, Jim Bevers, Charles Ward, Steve Pursley and Bob Maynard added one each.

The Tiger offense never could get going. Trinity only passed the midfield stripe twice. In the first quarter, quarterback Roy Sawyer scampered for 20 yards and then lateraled to Odis Michalk who picked up 46 yards more to the Miners 44. In the fourth quarter the Bengals were stopped on the Miners 49.

This was the last game for seven Trinity seniors: Milton Robichaux, Sammy Knox, Johnny Campbell, Odis Michalk, Royce Townsend, Jerry Watson, George Jageman and Billy Wayne Andrews.

If football coaches ever have pleasant dreams, which is doubtful, they probably dream of coaching a big guy who looks exactly like Milton "Robie" Robichaux. The giant right end packs 210 pounds of muscle and speed on a six feet six inch frame and hails from Hahnville, Louisiana. "Robie" monopolized football honors during his three year stay at Trinity, a habit he started in high school.

The tallest and fastest member of the Tiger gridgers is quiet and shy on the campus but when he slips into the maroon and white of Trinity it means a long bruising game for the opposition. "Robie" loves football and the tougher the opponent, the better he plays. His best games this year were against such powers as Mississippi State, Mississippi Southern, Memphis State and Southeast Louisiana.

One had only to watch where Trinity's opposition aimed their attack to see how much respect they had for Robichaux. No opponent the past season consistently tried to get past the giant wingman. "Robie" was such a dangerous pass receiver on offense that every team the Tigers played paid him the compliment of putting two or three men on him and trying to tie him up at the line of scrimmage.

Head Coach W. A. McElreath summed up Robichaux's ability and worth to the Tiger squad in one sentence, "He rates All-American in any league."

basketball coach

LESLIE W. ROBINSON

Trinity's quest for a national basketball power was given a sound foundation with the acquisition last spring of Head Basketball Coach Leslie W. "Robie" Robinson. Coach Robinson was lured from Allen Military Academy in Bryan and brought his experience and know-how of twelve successful seasons to Tigerland.

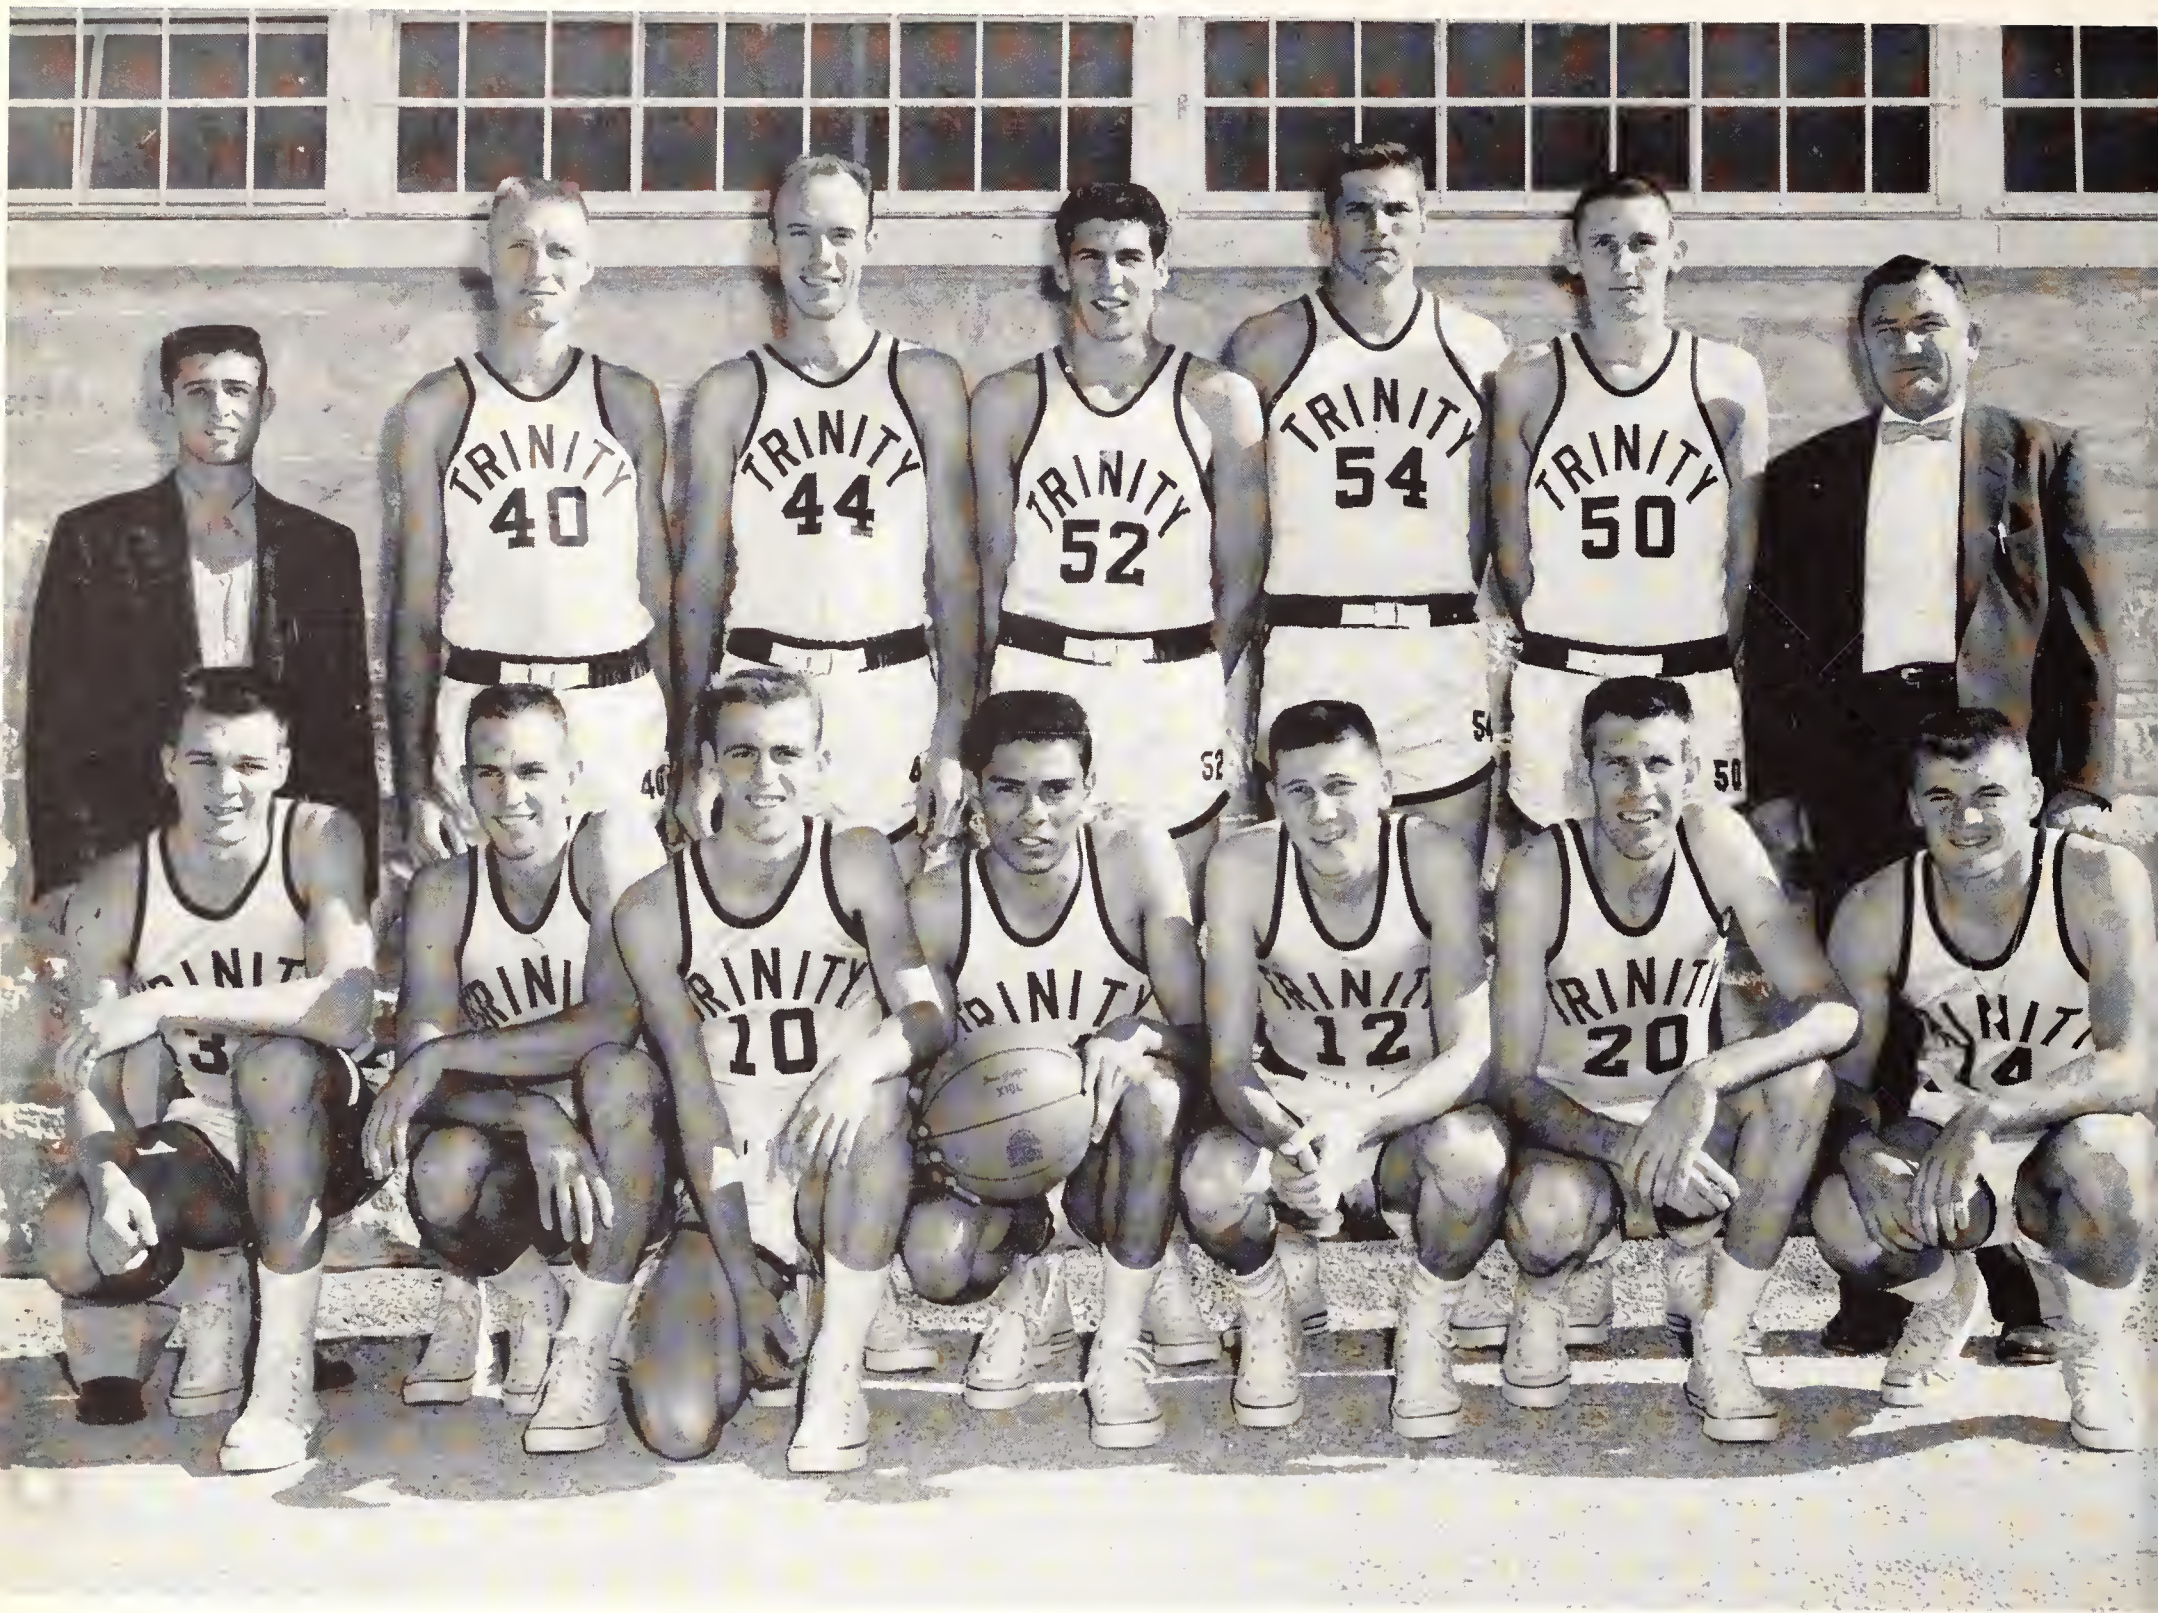

A small Tiger squad that was greatly handicapped by lack of height gave "Robie" little chance to continue his winning ways in his 1956-57 debut at Trinity. Lack of reserves caused many losses after the Tigers had dominated the early stages of the game.

Coach Robinson was born in Midway, Texas and received his B.S. and M.A. degrees from Sam Houston State College.

As coach of Allen Military Academy, his teams won 81 games and lost only 17 in their conference. This record produced three zone championships, one conference championship, runner-up for conference championship, second in zone for two years and a tie for zone championship once.

Trinity University's basketball team took to the hardwood 23 times this season and was able to salvage only six decisions.

Greatly hampered by their lack of height and the loss of 6' 6" Milton Robichaux at mid-term, the Bengal cagers were shut out in the Gulf Coast Conference race and finished in the cellar with a 0-6 record.

In addition to the Cats inability to control the backboards, the superior reserve strength of most of their opponents took its toll late in the games.

Under the tutelage of coach Leslie Robinson in his first year as a Skyline mentor, Trinity grabbed second place in the consolation bracket of the Elks Club Invitational Tournament in Dallas, dropping the final game to Midwestern by one point.

For the fourth consecutive year, Trinity and its cross-town rival, St. Mary's University, split the mythical city championship as the Rattlers copped a squeaker on their home court, 67-66, and the Bengals got the nod in Alamo Stadium Gym, 73-69.

Roy Green led the Cats in point production for the season as he canned 311 points in the 23 games. Cecil Holloway and Chunky Frazier ran second and third in the Bengal scoring race with 285 and 281 points, respectively.

Green scored the most points in one game for the Tigers, netting 33 in a losing effort against Abilene Christian College, 113-86.

Trinity guard Roger Tatsch sinks two points after breaking through a tight Rice defense.

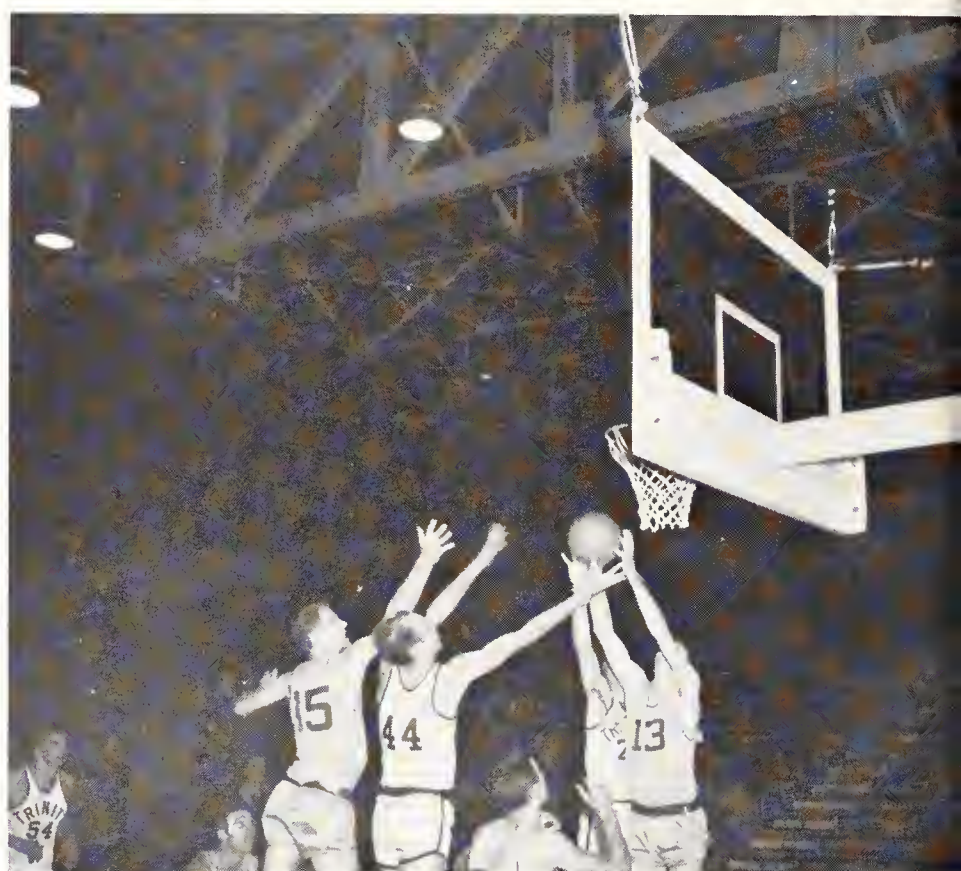

Charles Montemayor (24) watches as high scoring Roy Green ties up the ball on defense in the Rice game.

Big Milton Robichaux dunks one as he catches the Texas A&I Javelina's defense napping.

Roger Tatsch finds himself all alone and decides to shoot but finds the oppositions too tall.

Eight hands after one ball offer some fast action until Roy Green latches onto the ball.

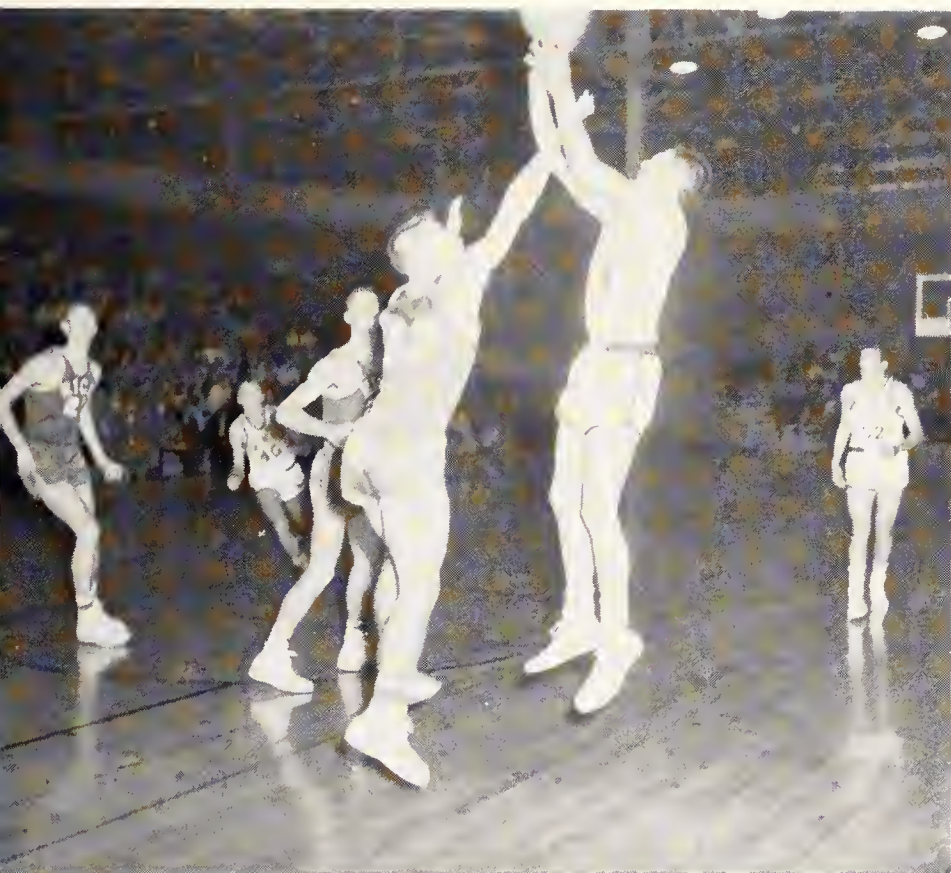

Milton Robichaux stretches his six feet six inch frame to grab a Tiger rebound.

Cecil Holloway leaps over a Javelina for a quick shot as Robichaux waits for the rebound.

Guard Charles Montemayor takes a pass from Gayle Haas and sinks a basket from 12 feet out.

On a fast break away Chunky Frazier finds himself all alone as two Rice players watch.

A fast seven points late in the fourth quarter enable the Tigers to catch and pass the Rattlers for a win.

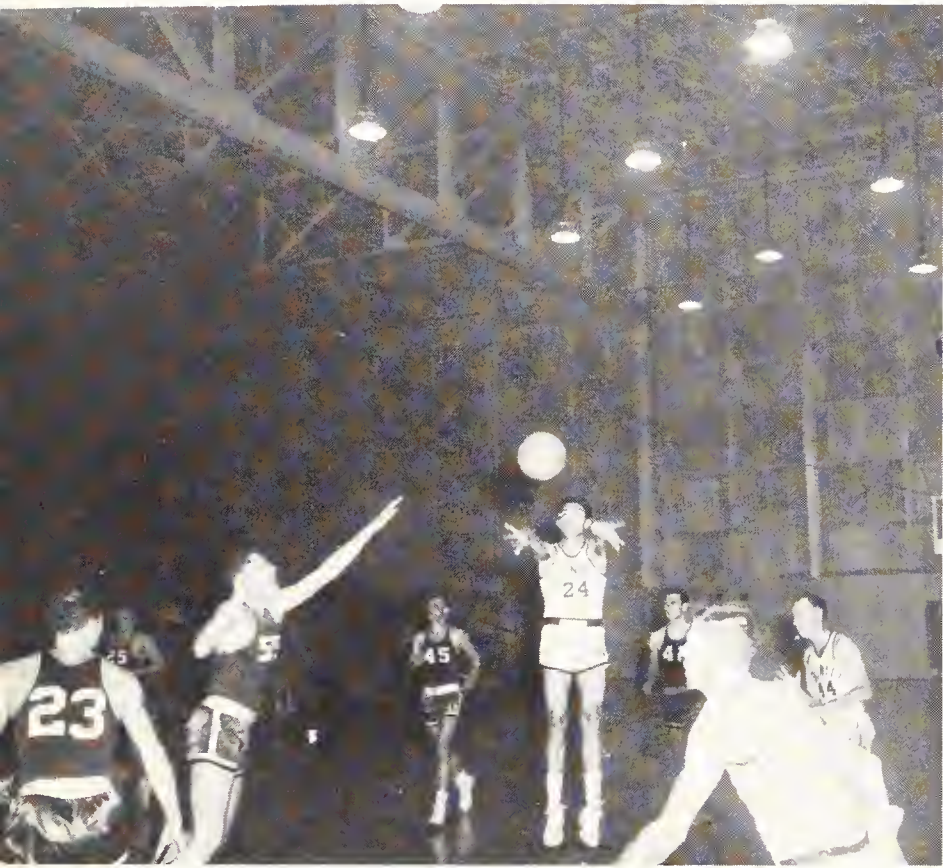

Bill Suter (50) cleared the backboard and makes a quick shot as everyone waits for the outcome.

Charles Montemayor "makes like a seal" as he shoots a fast pass to Frazier for a lay-up shot.

Roger Tatsch drives in for a one-handed lay-up in the Tiger's 73-69 victory over St. Mary's.

Chunky Frazier gives the Tiger fans something to roar about as he loops in a one-hander.

Ever hustling Cecil Holloway looks like an All-American as he slips through for a lay-up shot.

Gabriel Menchaca takes a hot pass from Roger Tatsch (12) and goes high for two points.

tennis coach

CLARENCE MABRY

Tennis coach Clarence Mabry is in his second year as mentor for the Bengal racquet squad.

As this annual goes to press, he is looking to the 1957 net season as a productive one for the Skyline School. His charges have won their first two matches and before the end is in sight, many more opponents should fall before the growling Tigers. The Cats shut out Brooke Army Medical Center, 4-0, in the initial match and came back with an upset win over the University of Texas, 4-2.

The tennis professional at San Pedro Courts, Mabry is well known throughout the nation. He won both singles and doubles in the Southwest Conference and was a finalist in the N.C.A.A. championships before his graduation in 1949 from the University of Texas.

Coach Mabry has won all of the Texas state titles, including the Interscholastic and Texas Amateur Athlete Federation titles. He has also copped state championships in New York, Pennsylvania, New Jersey, Mississippi, Oklahoma, Ohio, and Illinois.

He played the Eastern Circuit three times with such players as Jack Kramer, Pancho Gonzales and Vic Sexies and did a war bond tour with Bill Tilden and Vincent Richards in his Naval Aviation Days.

He became a member of the Professional Lawn Tennis Association in 1953.

Student Government, in order to be a valuable and constructive contributor to the life of a college community, must recognize the purposes and objectives of such organizations. The faculty, administration and the students must have definite concepts of the ideals and philosophy of student government for it to be effective. Some logical and valid reasons for the existence of student government on any campus are as follows:

- to provide the student body with a means of formulating its purposes and policies as a group;

- to be the means of expression for student opinion and belief;

- to provide the responsibility which builds concern on the part of each student for the welfare of the total college community;

- to develop interest in the school, increase school spirit and to improve the morale of the college community;

- to develop effective leadership and training as citizens;

- to motivate interest in and express student opinion on vital issues arising in our state, the nation and in the world;

- to cooperate with the faculty and administration in providing for a well-rounded student life academically, socially and spiritually.

The Student Council, which is the executive branch of the Associated Students of Trinity University, plays a large part in the organization and co-ordination of standing committees. Among the committees which they appoint and direct are the assembly committee, advertising committee, calendar committee, and election committee.

Along with committee work, the council also publishes the MORES, the student handbook, and the student activity book, handles the distribution and expenditures of all student funds and carries out the provisions of the constitution and by-laws. The Student Council is also a member of the Texas Intercollegiate Students Association, a state-wide group. One of the biggest jobs the council had during the past year was the direction of Homecoming activities. One of the highlights was the music of Buddy Morrow and his orchestra at the Homecoming Dance. Another duty of the council was the arrangements for the all-school trip to McAllen for the Texas A&I football game. The Founders Day celebration was also handled by the Student Council along with sponsorship of student faculty coffees and assemblies during the year.

Each week the council members meet to work out problems new and old and to report the successful outcome of previous ones.

The group concerned with judiciary action around Trinity campus is the Student Court.

Composed of seven members, Chief Justice, Associate Justice, two members of the senior class, two from the junior class and one sophomore, the court has jurisdiction over all cases involving student discipline and honor, student violations of the constitution and cases of impeaching student officers.

Meetings are held only when a case is sent to the court or when the justices deem a meeting necessary. During the past year, the court has been concerned with several cases involving students who have had too many quality points.

As the purpose of the Senate is to be of service to Trinity students, any student is welcome to attend any of the weekly meetings.

This year marked a revision in the girls' social and service clubs from two-year to four-year clubs and it also marked a revision in what was formerly Kampus Kubs. The name was changed to Sigma Theta Tau.

A relatively new organization on campus, Sigma Theta Tau advocates the promotion of interest in campus activities as well as club activities. Their project for this year and the year to come is to engage speakers to acquaint the club members with the Trinity campus landscaping, architecture and history of the buildings. This information will in turn be presented in pamphlet form to the students and faculty.

Among their activities during the year were their entry in the Homecoming parade, decoration for the Homecoming dance, an informal "get-acquainted" coke party and an installation-initiation party.

Sigma Theta Tau holds a business meeting once a week and two social meetings a month. Membership is invitational.

Promotion of better relations between town and dormitory students is one of the club's main purposes.

Activities of the Town Club this year included the selling of Tiger booster ribbons for football games, sponsorship of a candidate for Homecoming Queen and the biggest event, the annual Tigerland Coronation. At the coronation, results of the all-school election of royalty were revealed in the Ruth Taylor Music Center with the dance following in the Student Union. From the form of a small magazine, Trinity's yearbook evolved into the extensive book of today. Its first publication as an annual came in 1912.

Many people wonder as to the origin of the annual's name. It was named The MIRAGE because a mirage of Waxahachie was seen on the Trinity campus when it was located there.

The staff of The MIRAGE is composed of students of various majors and vocations, but all interested in some way in putting together a yearbook. The staff positions are not limited, but open to any student wishing to volunteer their time in the publishing and editing of the book. The positions of editor and assistant editor are, however, elected by the Board of Publications.

Among the many things required in preparing a yearbook for its trip to the publishing company are such things as sorting class pictures, writing up summaries of clubs and committees, laying out pages, selling advertising, taking care of art work, designing division pages and designing the cover.

Most time consuming, but most necessary, are the photographs which help students relive their past years at Trinity. To present the picture of college life, everything from casual snapshots to shots of sports events are included.

The MIRAGE holds membership in the Columbia Scholastic Press Association and the Associated Collegiate Press and was awarded second place ratings by both associations for the 1956 yearbook.

Since 1902, Trinity University's weekly newspaper has been managed strictly by students. Devoted almost exclusively to campus news, The Trinitonian has a two-fold purpose. One, it is maintained as a laboratory newspaper to further the knowledge of newspaper work for those interested in journalistic careers, the other is to inform the student body of the activities around campus, the honors bestowed upon Trinity students and coming events in San Antonio.

In publishing the paper, the students are responsible for writing all news articles, copyreading the material, proofreading the galleys which come back from the printers, laying out the pages according to form and taking care of exchange with other schools and circulation to out-of-town and out-of-state subscribers. All advertising is handled by students, also.

The Trinitonian is a member of the Columbia Scholastic Press and the National Scholastic Press and is rated among the nation's top seven college weeklies. It has a circulation of some 1900 with subscribers all over the United States and in several foreign countries in addition to student circulation.

mcallen trip

Opening the 1956 football season, September 27, was the all-school trip to McAllen for the game with Texas A&I. The trip was sponsored by the Trinity Student Council in conjunction with the McAllen Quarterback Club.

Two bus loads of students left the campus at 8 a.m. and arrived in McAllen around noon. Later in the day, they went across the border into Reynosa and spent the day shopping and looking around. That evening was the game in which the Tigers came out victorious with a score of 12-7. The long trip back to Tigerland ended about 4 a.m. Sunday.

Bill Purdy, Willie Harris, Larry Ravert and Bill Pilgreen put the last piece of tape on the banner.

1, 2, 3 . . . Willie Harris checks the number of passengers before the bus pulls out.

Work progresses and it looks like Jackie has recruited some helpers.

Jackie Honts begins the work of decorating the bus as Don Frizzle and Gerald Wolf look on.

Carol Terry playing the "Spirit of the Frolic" tells her niece Melody Ann Christie about Storybook Land.

final copy . . .

The 1957 MIRAGE is now finished with the exception of this "final copy." All the long hours of planning and replanning and working are now over. There will be no more rushing to meet a deadline, no more working at late hours, and no more worrying over the budget.

One person could not have done this job alone, and I was very fortunate this year in having many people help me. I will always be grateful for their help even if it was only in identifying a person in a picture, this helped us meet our final deadline, and I will never forget it.

Special thanks to: Dr. Donald Everett and Mr. Paul Walthall for their help in getting the annual started last summer; to Mr. Leon "Tex" Taylor of the public relations office, for letting us borrow pictures, and also for helping us obtain the information for the dedication pages; to Mr. Joe Musgrave, athletic director, for helping us with the sports, and for always taking time to answer our many questions; to all the people at the Taylor Publishing Company for having patience with us, and especially to Mr. Jess Allison our Taylor representative for showing so much interest in our book and for helping us iron out our problems; to Mr. Floyd Goldenberg of Beverly Studios for giving us such good service with our portraits, and for coming to our rescue when our camera broke; to the Student Council for not cutting our appropriations this year and especially to Don Frizzle for taking his time to do so many things for us; and to Mr. Robert Hunter our sponsor for always standing up for us, particularly in the Board of Publications meetings.

I also want to thank my staff, the people who did the actual work on the MIRAGE.

Special thanks to: Carol Cooper, assistant editor, for being the best assistant any editor could ever have, and for always being there when I needed her most; to Riley Smith, art editor, for having his work done on time and for doing an outstanding job; to Howard Slutes, business manager, for keeping the books up to date and for lending a bit of humor to the office; to Frank Haegelin, advertising manager, for selling the ads almost single handed and laying them out, and also for his help with the sports section; to Mike Price, photographer, for taking such good pictures; to Darrell West, sports editor, for writing his lively sports copy and for his working overtime to get his section in for the deadline; to Anthony Bonforte and Nancy Cherry, copy editors, for their work; to Marco Gilliam and Tommy Wilbanks, R.O.T.C. editors, for making their section more attractive this year; to Tommy Kinney, organizations editor, for his work and also for helping keep up our spirits with his crazy sense of humor; and to Claudelle Tate, Phyllis Furbeck, Sue Newton, Betty Jameson, and Freddie Brockwell, class editors, for taking one of the biggest problems off my shoulders and doing a good job.

As editor of the annual, I have tried to make this a book you will be proud to have. I hope that I have not let you, the student body, down because this is your MIRAGE.

ting year for me & I shall always
remember the time you initiated me

As another year draws to a close we have a lot of things to look back over. It's been a good year and not lacking in a little excitement. I'd like to let you know how much I've appreciated having a good friend like you've been. When a guy drops in out of nowhere and tries to continue on in his education it's good to have someone around to help brighten things up and to shoot the ball with every now and then. You'll have no trouble in making close friends wherever you go Gil, and in whatever field of endeavor you choose, I'm sure you'll make good. Keep the old chin up and remember this old crew ~~as~~^{as} you travel about. Don't work yourself out this summer and I hope I get a chance to see you next year.

Your friend,
